**PASTORAL
 SEARCH COMMITTEE**

Please contact one of the committee members if you have any questions or recommendations. The committee will be sending out a survey to the congregation for your feedback on qualities of a prospective pastor. They are discussing the possibility of engaging a consultant to assist in the search process. They are trying to find an interim pastor who will have the spiritual discernment to help the church in the process of determining future decisions of possible denomination or structure. Please pray for the committee and have patience because the process may be lengthy.
